Golf Applicants and Sponsors

The MBCIA is celebrating their 19th Annual Scholarship Golf Tournament for the purpose of enriching the scholarship fund for the children and grandchildren of Building Officials that belong to the Association. To date we have awarded over \$194,000 since the start of the program. The continued success of the scholarship program is reliant on the success of this golf tournament. Your participation is vital to keep these programs continuing now and in the future. I hope that whatever your participation may be, that you have a fun filled, enjoyable day.

***Please note that if you are playing Individual Play, we need to have your handicap for the purposes of awarding the low net prizes.**

Sincerely,

Richard Wakem
